

OUR STORY

Boot Hill Distillery's story begins with combining five generations of sustainable farming and quality, transparent distilling to create whiskies and other spirits that are uniquely our own. Founded by Hayes and Roger Kelman in 2014, as an extension of their own multi-generational farm, they saw opening a distillery as a way to add value to the corn, wheat, rye, and barley their family has grown for generations. Western Kansas's first craft distillery came to fruition in Dodge City, KS when a historic 1929 city building needed rescue from the wrecking ball. Atop the infamous outlaw cemetery bearing our namesake, our distillery, housed in the town's historic municipal building, sees a different kind of spirit inhabiting Boot Hill today.

OLD FASHIONED

COCKTAIL

MADE WITH RED EYE WHISKEY,
PRICKLY ASH BITTERS, SUGAR AND ORANGE

Dodge City has been known for its cosmopolitan libations since the Santa Fe Railroad began transporting ice to the western frontier in the 1870s. Even cowboys riding off the dusty trails were known to knock back crafted concoctions from back east if the whiskey didn't suit them. Locals and greenhorns alike enjoyed these tipples from any one of the Wickedest City's 14 saloons and dance halls. Boot Hill Distillery carries on this tradition as the home of the finest craft cocktails in Western Kansas.

Bottled in 750mL and at a potent 33% ABV, these travel-friendly, ready-to-drink cocktails are a perfect addition to your next gathering around the campfire with friends. This signature Old Fashioned matches the exact recipe served in our tasting room and contains our own historical Prickly Ash Bitters, Red Eye Whiskey and a hint of orange.
