BOOT HILL DISTILLERY RED EYE WHISKEY

Boot Hill Distillery's Red Eye Whiskey is a beautiful hand-crafted whiskey using a proprietary aging system that pulls out an impressive amount of depth. The end result is a Frontier-style Kansas whiskey with massive amounts of character. It's so good, we were named the Best Whiskey in Kansas at the 2017 Heartland Spirits Fest in Chicago.

NOSE: Prominent notes of sweet butterscotch and heavy oaks with a delicate floral finish.

NEAT: Bright wood on the front end with tons of vanilla and an unexpected spiciness across the palate..A beautiful blend of sweet and spice.

ON THE ROCKS: Sweet grain, powerful vanilla, and soft oak across the back end.

Boot Hill Distillery is owned by three western Kansas farmers. These multi-generation farms produce every single grain that Boot Hill Distillery uses to craft our world-class spirits. Our spirits are truly "soil to sip." We grow, mill, mash, ferment, distill, and bottle 100% of our products, so from the moment the seed goes into the soil to the moment you pour our spirits into your glass, we've had full control. Combining our years of farming expertise with an obsessive eye for quality distillation, we ensure that every single bottle that you purchase from Boot Hill Distillery is among the highest-quality products available in the world.

Dodge City's legacy was built on the ashes of the campfire and the footprints of a bar, and we're proud to be continuing that legacy here at Boot Hill Distillery.
